October 22nd 1863

1st Lieut. C. Goddard

Sir

I hereby tender my
resignation as 2nd Lt Co "C" 3rd Regt Infantry Vols -

I am impelled to take this step from the sad
changes that have taken place in my domestic rela-
tions at home - My father from infirmity and old
age is now wholly unable to assume the task of
maintaining the large family who in the absence of
those in the army rely entirely upon him for
support - The death of my Brother-in-law, Capt
W. S. Taylor 3rd Regt Infantry who was killed in
the late battle of Chickamango has devolved
upon me the responsibility of maintaining his wife
and child who aside from myself have no one
on whom to rely - It is in consideration of these
circumstances that I desire to leave the army - And
even now I cannot take this step without feelings
of deep regret - Having been associated with the
Regiment since its organization (21) Twenty six months
ago and borne in common with my fellow soldiers
its dangers, hardships and privations, it is only from
the most imperative reasons that I tender my resigna-
tion and I trust you will so consider it - I beg
leave to state, furthermore, that my Company is very
small and has a full complement of officers - In
consideration of the above facts, I earnestly pray the
acceptance of my resignation -

I hereby certify:-

(over)

1st - That I am not indebted to the United States
2nd - That I have no Government property in my possession
3rd - That I have not been absent without leave -
4th - That I was last paid to include June 30th 1863
and that there are no charges against me which can
affect my pay -

I have the honor to be, Very Respectfully

Your Obedt Servt

They state that he enlisted July 14th 1861

I send you the envelope of a letter from
 Rev. B. P. May, 2d. His expression of sympathy
 for the cause around his chapel is yet, and
 I am sure of others, as the West-House yesterday
 was the first that I sent a letter to from so much
 forth, and a paper of acquaintance would be much
 and immediately would send to them too. You
 will therefore please not delay in sending it as
 soon as you receive the letter. Such at to
 Rev. B. P. May, 2d. 3d. by day, as one of S. S. Ho-
 norably. At the time I am writing this, and will
 much more. Respectfully yours,

and does not include any thing found, and you please
attend to that also. J. F. Kennedy & Co.

Some days since I requested
that no action be taken upon the resignation
tendered & forwarded by Capt. B. F. Wayne Co. Maine.

He was appointed Co. Maine & Regt. 1st vol., &
in Decr. 1861 was taken by Genl. Boyle & made
Brigdr. Co. Maine 11th 13th Regt. His place was
filled by the Regt. by Lt. Col. Roberts being
commissioned & duly qualified Co. Maine
3rd Regt. After receiving this place
Genl. Boyle ordered Wayne to report
himself to me. Capt. Wayne in view
of the facts tendered his resignation
which was forwarded and the request
above mentioned for the reason stated
in was also subsequently sent in.

I now request that action be had
and that his resignation be
accepted.

I forward to you two days since
the resignation of Capt B. F. Mayne & Martin
with a brief statement of the facts connected
therewith. I wish the resignation
withdrawn or action suspended for
the present upon it, as I desire
to have the conflicting claims of

that one be retained as Co. Master &
the other fill a different position.
As soon as St. Roberts gets up I

A. L. M. 11th Brigade

Capt B F Wayne was Qr. Master of the 3rd Regt from about
1st Oct until in Nov when he was taken as acting
Majr Qr. Master 16th Regt. I continued to get
along with much inconvenience without
a Qr. Master until the middle of Feb, being
unable to have him returned to the Regt, I
applied & obtained the appointment of Wm. Roberts
by the Gov. of Ky who commenced him
accordingly. Now when his place has been
supplied, he has been ordered by Genl. Boyle to
report to the Regt. His resignation if under
the circumstances it be necessary is recommended for

acceptance. The BB are little

Said *Frederick Webb* had *chronic rheumatism* when *stationed* and has performed camp duty a *very few*
days only since his enlistment. According to his father's statement, he had a fever nearly
three years ago, which upon taking a doctor's cold (during convalescence, "fell into" his limbs;
and thereafter, for two years, when much exposed, he had "spasms" of a nervous nature
which made of him a helpless cripple for days, and even weeks. At the time of
his enlistment, he had been free from these "spasms" for nearly a year, and thought himself
devoid of any weakness by any medical officer when mustered in.

Adj. Gen. **NOTE 1.**

The company commander will here add a statement of all he knows to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, are that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not under any circumstances be given into the hands of the soldier.

I would respectfully ask for
a thirty days leave of absence based upon the following facts.
My father has died insolvent, leaving my Mother and young
sister wholly dependant upon me for support.

It devolves upon me to retire from a marriage the
husband of my sister, and now the care of a home for three.
I am now married, and my special duty alone from the
applications which I earnestly trust may be granted.

With great respect

NOTE 1.—This form will be used for both enlistments and reenlistments—enlistments of persons, &c., in the volunteer service. They will be made out in duplicate and sent to the Adjutant General, and one to accompany the accounts of the officer who enlists the recruit.

NOTE 2.—An enlistment must, in all cases, precede payment of pay, bounty, pension, &c. A recruit will not, in all cases, be sent to the Adjutant General's Office as evidence of enlistment. The recruiting officer, commander, or assistant commander of a company, or other officer, will, in all cases, be held in the United States before either of them is given to the disbursing officer.

When a prostatic case has passed, special care must be taken to restore the degree of diastasis—*i. e.*, the *dis-* to describe particularly the diastasis, instead of discontinue the action of it. It is important that the use of any tonic in diastasis, or affects his health, strength, activity, constitution, or capacity to labor or even his volubility. The physician will not trust his knowledge of the facts and circumstances, and therefore endeavor to try with his professional opinion of the cause or origin of the diastasis. In the case of diastasis by medical inspection, the most powerful will state that the diastasis was given by exposure of the member, after a general examination, and for diastasis, the most, degree, and stage of which are usually described in the whole country.

The first Legislature, 1840-1841, passed an act, in giving certificates of disqualification, care to take particular care in all cases that have not been under the charge, and especially in college, convulsions, chronic inflammation, derangement of the urinary system, gonorrhoea, &c. &c. in any disease danger liable to be found as previously mentioned; and in no case shall such persons be given a certificate until after sufficient time and precaution to derive any advantage at discharges.

This certificate will be made out in duplicate by the producer's own
proper witnesses or other officers concerning the required amount
to be paid to the owner and sent by him to the assignee with the
change of the company where the contract is made. The assignee will
then file the same and give the company's certificate and forward them to
the assignee, the assignee, or the assignee, who will
forward them to the assignee and the assignee, through the proper
channels to the assignee, or if the assignee is not satisfied

Duty	Transportation

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1280 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; ere that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTATION.

Adjutant General's Office,

WAR DEPARTMENT,

Washington, Oct 23, 1888

It was first before a Genl
C. M. which convened at
Nashville, Tenn. Sept. 26. 64
for 'Description', 'Specification'.
In this that on or
about the 16th day of Oct. '62
while on the march near
Crab Orchard, State of Ky sent
his Co. & Regt. & did remain
away therefrom until on or
about the 22nd day of May '64
when he returned to his Co.
& Regt. of his own accord. at
the near Crab Orchard, Ky.
on or about the 16th day of
Oct. '62; found guilty &
sentenced 'to forfeit - all pay

Gen

allowances due him for
the time of his absence,
& that he make good both
the time of his absence
one year seven months and
five days.

Maj. Genl. Rousseau Comdg
Dist. of Tenn. in reviewing
this case, states that he
considered the sentence too
proportional to the offense
committed, but, on the re-
commutation of the Col.
Ames, the Regt. & in consid-
eration of the distinguished
gallantry shown in battle
by Capt. Withers, since his
return to duty, the pro-
ceedings, findings & sentence
of the Court were approved
& promulgated in Genl Order
No 60 Hqs. Dist. of Tenn.
dated Nashville, Tenn. Oct
4 '64, & the term of service
of the 3^d Ky. Vols. having
expired, it was decided that
he be sent, with his des-
criptive list & a copy of S. C.
M. order to the Regt. as he

might choose to serve out
his sentence.

As this man was con-
victed of treason, by a
Genl. C. M. the proceedings
of which were approved
& promulgated by com-
petent authority, the charge
of treason no longer stands
against him. The re-
cord of the fact - that he
was absent in treason
from Oct 16 '62, to May 22
'64 cannot, however be
expunged.

Chief of Staff Army of the Ohio

Sir

I have the

Honor to very respectfully tender through you the
resignation of my Commission as 1st Lieutenant of
Company (E) 3rd Regiment Kentucky Infantry Volunteers,
for the following reasons. The death of a near relation
who has had charge of an estate belonging to my sisters
(of whom I am the guardian) and myself, has left
the property in the hands of some relations who are
disloyal and who are trying in my absence to
destroy and otherwise make away with it.

And I am notified that unless I soon take possession
of the property in person that not only will
my own be destroyed and perfectly valueless but
my sisters will be robbed of theirs also, and my
sisters and myself will have to suffer accordingly.
There is no person near my home that I can get
to attend to this business for me, and as there
are three officers in the company and only
thirty three enlisted men (fourteen present) I
am persuaded to offer my resignation, to protect my
sisters, surnames, and myself from a serious and
perhaps a ruinous loss. I therefore earnestly beg if
consistent with the public good, that my resignation
be accepted.

Very Respectfully
Your obedient servant

It is necessary to state that there is a difference in in the date of Enrollment of a portion of the men of my Co in this muster out roll & the first that difference was occasioned by a misunderstanding as to the time the pay commenced. A portion of this Co was paid from Aug 7 1861, when they should have been paid from July 16/61. This I believe, corresponds with the payment of other Co. of the Regt.

FINAL STATEMENT

17801 *Infantry*

John D. Abell Co. 34
4th Regt of N.Y. Inf.

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of their master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Landwren must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in.
